

SDL Research Project Participation Form

Thank you for taking part in the SDL Research Project. Please read and sign this form and return it to the organizer.

Confidentiality

If you (the participant named below) or your employer have entered into a Non-Disclosure Agreement (NDA) with SDL, then that NDA will govern your confidentiality obligation and not this paragraph. Each research project is confidential, and you as the participant agree to keep the highest level of confidentiality. SDL agrees to keep any information, that you have indicated to SDL to be treated as confidential, confidential and use it only for the purposes outlined herein. The obligation of confidentiality does not apply, if (a) you or SDL are required by law to disclose that information; (b) you or SDL possessed the information prior to disclosure; (c) at the time of disclosure or thereafter, the information becomes known to or generally available to the public through no wrongful act of the participant/SDL; (d) the information was developed by the participant/SDL independent from any confidential information disclosed hereunder; (e) the information is explicitly, in writing made exempt from the provisions of this agreement by SDL/participant.

Materials, Feedback and Personal Information

Feedback You grant SDL PLC and its affiliates a worldwide, perpetual, irrevocable, royalty-free license to use and incorporate into its products and service any suggestions, enhancements, recommendations or other feedback provided by you in any format during the research project ("Feedback").

Material You grant SDL PLC and its affiliates the right to use, reproduce, perform, display, distribute, and exercise all other rights in any material you provide during the research project ("Material") for the sole purpose of enhancement or improvement of SDL products and services. Material will not be disclosed to third parties outside the SDL group.

Personal Information If indicated below, you grant SDL PLC and its affiliates the right to use your name, likeness, voice, photograph and biographical information for the administration purposes of the project and marketing purposes. Further details of how SDL PLC and its affiliates handle your personal data can be found at <https://www.sdl.com/about/privacy/>. SDL PLC or such of its affiliates as identified will be the Data Controller of your personal data under all applicable law. SDL when driving enhancement and development of its products reserves the right to deploy telemetry software to record the nature of use and performance of the product through collection of anonymous usage data, such as clicks and recordings. Your data will be handled in accordance with applicable Data Protection Law and will only be used to administer the Research Project and as indicated and agreed by participant below.

These rights are worldwide and SDL PLC and its affiliates will retain all of its rights in relation to anything given to you or disclosed to you in connection with all research projects.

Please note that this form applies to any future SDL PLC and its affiliate research projects that you participate in, unless written notice is given to SDL PLC terminating your consent. You are free to withdraw from the project at any time, without giving any reason. Such withdrawal will have no impact on any rights granted to SDL PLC or its affiliates before the withdrawal. If you give notice of termination, SDL PLC and its affiliates will delete your personal information within 30 days unless required by law to retain the personal data. You may also decline to answer certain questions.
