MultiTrans 7 Patch 7.0.22258.1_7.0.22347.1

New Features

1. (77862) Added **Provider** type **Agency** and new access right **Agency PM**. This allows **Project Managers** to assign tasks to an **Agency** and then **Agency PMs** can assign the task to **Providers** affiliated to the given **Agency**.

Program Updates

2. (78061, 78062) Creation of **Provider** type **Agency** and ability to import **Agency** as a **Provider Role**.
3. (78076) Added ability for **Project Managers** to assign tasks to an **Agency** but not to **External Providers** affiliated to an **Agency**.
4. (78068, 78518) New access right **Agency PM** added to the security section on the **Manage Providers** tab.
5. (78073) Added ability for an **Agency PM** to reassign a task to **Providers** affiliated to the given **Agency**.
6. (78072) Added ability for an **Agency PM** to be able to add instructions tasks that have been assigned to the **Agency**.
7. (78070) Added an automated notification to an **Agency's Notification Email** when a task is assigned to the **Agency**.
8. (78071) Added an automated notification to an **Agency Provider's Notification Email** when a task is assigned to the **Agency Provider**.
9. (78069) In the **Provider Portal** an **Agency PM** can see all of the tasks assigned to their **Agency** as well as any tasks assigned directly to them.
10. (78065, 78067) Creation of **Agency Field** under **Provider Affiliation** section for **External Providers**.
11. (78064) On the **Manage Providers** tab the field **Parent LSP** has been greyed out and the corresponding free text field is no longer editable as **Provider** type **Agency** has replaced **Parent LSP**.
12. (78066) If an existing **Provider** associated to an **Agency** is amended the **Provider** will inherit all the existing **Meta Data** already configured for that **Agency**.
13. (78063) Added the ability to search for the value **Agency** on the **Manage Provider** page.
14. (78074, 78084) Added the field **Agency** to the current CSV and SSRS reports where applicable.
15. (78075, 78085) Updated **Audit Trails** to account for **Agencies** where applicable.
16. (78083) **Rest API Endpoints** updated to return **Agency**.
17. (77708) Added Spanish and German translation to the **Exceeds Provider's Daily Capacity** warning.

18. (78539) For the [MultiTrans Web Editor](#) under in the [Administration Console](#), for [Profiles](#), the option [External Translator](#) has been removed as an option as it is no longer an option.
19. (78999) Fixed bug in the [File Parser](#) that would cause some files to become corrupted, during submission.
20. (77716) Fixed bug in the [Multi Combo Box](#) that would duplicate a value when a user edited an existing value.
21. (60998) Fixed a bug in the [Available Task List](#) that would cause a [Custom Tasks](#) to move to the end when saving.
22. (69844) Fixed a bug that would cause the [Total Due](#) amount to be incorrect on the [Customer Portal Dashboard](#) under the [Invoice](#) section.
23. (78925) Fixed a bug that would not allow an [Invoice](#) to be saved if the price was edited.
24. (78021) Fixed a bug that would not allow a new [Dynamic Workflow](#) to be created if the same language previously had a workflow deleted.
25. (78515) Fixed a bug that would sometimes cause an [Analysis Agent](#) to fail when analysing a document.
26. (78517) Fixed a bug that would not allow for [Contacts](#) to be merged.
27. (79004) On the [PM Portal](#), fixed a bug that would not allow a [Provider](#) or [Customer](#) to be imported if there was a custom field.
28. (76658) Now allow formatting of text in [Alternative Text](#) section in the [Web Editor](#) to be saved.
29. (78880, 78370) Updated the importer for [PowerPoints](#) to fix the issues with superfluous tags and the wordcounts not being accurate for hidden slides.
30. (78879, 78921, 79061) Fixed issue causing segments merged in [Trados](#) to not correctly convert back to [MultiTrans XLIF](#).
31. (69725) Fixed a bug that would cause an error between the [Web Editor/Trados](#) connector if text was first modified in the [Web Editor](#).
32. (77720) The error message for an error when importing a [Provider](#) or [Customer](#) has been updated to remove duplicate wording.
33. (69329) [New Project](#) notification updated to identify if a [Quote](#) is needed.
34. (63419) Updated the alignment of the tables in the [Quotes](#) section on the [Projects](#) tab.
35. (69554) In the German interface for the [MultiTrans Client](#), updated the [TextBase](#) labels.
36. (76585) In [Customer Portal](#) offline reviews can no longer be performed after a delivered document is accepted.
37. (77634) On the [Instructions tab](#), in the [Messages box](#), text on separate lines now shows as being on separate lines when saved.
38. (79185) Timestamps now update after an instruction is edited in the [Instructions](#) section.

39. (77778) On the [PM Dashboard](#), in the [Advanced Search](#), text in the dropdown list no longer overflows the box.
40. (78105) On the [Documents Tab](#) if units are manually updated a “.” must be used as a separator. If anything, other than a numerical value or a “.” appears in a quantity field then an error message appears.
41. (78110) In [Project Overview](#), on the [Project Tab](#), updated the French translation in the [MultiTrans](#) section.
42. (78110) In [Project Overview](#), on the [Rates Tab](#), updated button to fit the French label.
43. (78249) Filtering by the status “Completed” has been removed from the [Task List](#) on both the [PM Portal](#) and [Provider Portal](#).
44. (79070) In [Financial Reports](#), fixed chart so invoice amounts for unique [Providers](#).
45. (79064, 79058, 79229) Fixed formatting issues throughout MultiTrans.

About RWS

RWS Holdings plc is the world’s leading provider of technology-enabled language, content management and intellectual property services. We help our customers to connect with and bring new ideas to people globally by communicating business critical content at scale and enabling the protection and realization of their innovations.

Our vision is to help organizations interact effectively with people anywhere in the world by solving their language, content and market access challenges through our collective global intelligence, deep expertise and smart technology.

Customers include 90 of the globe’s top 100 brands, the top 10 pharmaceutical companies and approximately half of the top 20 patent filers worldwide. Our client base spans Europe, Asia Pacific, and North and South America across the technology, pharmaceutical, medical, legal, chemical, automotive, government and telecommunications sectors, which we serve from offices across five continents.

Founded in 1958, RWS is headquartered in the UK and publicly listed on AIM, the London Stock Exchange regulated market (RWS.L).
